TRADING TECHNICAL AND DERIVATIVES RESEARCH (TTD)

Caution : Trading in the derivatives segment or in the capital market segment using technical charts or short term indicators (trading calls) is a high risk and requires skill, experience and knowledge of the capital markets. Certain transactions including those involving futures, options and other derivatives as well as non- investment grade securities involve substantial risk and are not suitable for all investors. STOP LOSS ORDERS help limit loss but even placing contingent orders, such as stoploss or sotplimit orders will not necessarily limit your losses to the intended amounts, and it is important that only a small portion of your corpus is allocated to such trading. Leverage can lead to large losses as well as gains. You may sustain a total loss of the initial margin funds and any additional funds that you deposit with us to establish or maintain a position, and you incur losses beyond your initial investment.
